

Discount Flights to Spokane

February 2, 2012

Arlene Blackmer has secured Region 13 members and their guests a 7% discount on flights to Spokane for our regional convention! It might not seem like much, but hey...that could pay for breakfast, some false eyelashes, or a celebratory drink at the Afterglow!

Please read the details below and contact Arlene < ablackmer1@hotmail.com > if you have any unanswered questions after reading the information.

How to use the discount

- Our Discount Code is ECMG632
- Go to alaskaair.com and click on the Book Your Flight tab (by default it's usually already open!).
- Enter your flight information and input the code in the "Discount Code" box, which is located under where it asks for number of adults and children.
- Click "Go Book" and you'll be taken to the corresponding available flights; the discounted fares will be shown.
- Choose your flights and away you go!
- You may also use the Discount Code by calling Alaska Airlines Group Desk at 800-445-4435; however, a \$15.00 per person ticketing fee will apply.
- By clicking the question mark (?) next to the discount code box after entering the code you may view a detailed description of the rules (though most of them are described below).

The "Fine Print"

- The discount is valid only for flights operated by Alaska Airlines or Horizon Air, and flights operated by Pen Air between Anchorage and Dutch Harbor.

- The discount is valid for one discount of 7% off all base fare levels published at alaskaair.com . Not applicable to Award Reservations, Alaska Airlines Vacations packages, tour or contract fares.
- Passenger is responsible for all applicable taxes, fees, and surcharges, including checked baggage fees.
- The discount will be applied to any flights meeting the contract parameters.
