

It is time for the regional convention! Can you believe it?

The registration form that will need to be completed and returned no later than the 4/12/24 deadline been email to the Chorus Directors. If you need to add someone after this form has been submitted but before the deadline, please email register@sairegion13.org. For persons that need All Events Tickets (AETs) after the deadline they will be available for purchase at the registration table at convention (with a small transaction fee).

There are some small changes that you will need to be aware of:

- **New Payment System** - We are no longer using PayPal as our online payment system. We are now using a great payment system called Zeffy.

***Our new payment system, Zeffy, relies solely on voluntary donations and does not charge the Region any transaction fees. Please note that Zeffy will add a suggested default donation as you check out. This donation is entirely voluntary and may be changed by simply clicking on the donation dropdown menu before submitting your payment.
- **Electronic Convention Program** - There will not be a printed convention program this year. The program will be available online, and the amazing thing is that you will be able to access it much sooner! Check the website around the first part of May. There will be a QR code to access the program on the back of all AET'S as well as around the convention. The program will be available online in advance for those who wish to download and print at home prior to arriving at convention. There will be a single two-sided sheet with the order of appearance available on site.

We have a lot of badge ribbons available and would love to get them to the members that qualify for them. If a member of your chorus qualifies for a ribbon from the list below, please add that to your information on the attached worksheet. Regional Arrangers Program, Visual Leader, Chapter Leader, Chapter Officer, VIP, Judge, Convention Team, Event Assistant, Young woman in Harmony Coordinator, Certified Director, Director Certification Program, Vocal Coach, Ovation.

Once you complete the Excel form that was email to your Chorus Director, return it to me at the email address listed in the form. Payment and registration completion must then be made through the website. Please be sure to select the correct link according to how you intend to pay for your AETs, flash drives, etc. As you work through the payment process, you will also answer the typical registration questions prior to submitting payment.

We are in need of volunteers for Thursday, Friday, and Saturday. If anyone is interested here is the link to the form to sign up.

If you have any registration questions, please email me as soon as possible so I can assist you in completing this in a timely manner.

~ Thank You – Michelle Clark – Registration Chair register@sairegion13.org
