Sweet Adeline 2024 Region 13 Competition

## QUARTETS!

---

My name is Janna and my other half is Brad. Together, we make up InSpirit StudioZ Photography and we're so excited to help make your Competition weekend here in Spokane spectacular!

We know you're going to be very busy so here's a checklist for what we need from you:

- 1) \_\_\_\_\_ **Plan your time** with us **before** Competition Day! We'd love for you to take a minute with your quartet and think ahead to what photos you'd like us to take for you.
  - a) Most importantly, please decide on what you want your **Signature Pose** to look like. **This photo is mandatory for the Region.** Please practice this and be prepared for it before you come in for your photo. If you need or want props, please don't forget them! We'll have a few chairs to help. I will help with any final touches (making sure no one is hiding behind anyone else, hair frizzies, or any other little detail) once you're posed.
  - b) This is your time! Once we've got your **Signature Pose**, there's time for other options. If you'd like a close up of your faces, individual photos to share with your family, or a photo with your best friend in the quartet, this is an excellent time to take it! You're all beautiful and ready for the stage, you're feeling dazzling and excited, and this is the perfect time to capture your smile!
  - c) We don't have a lot of time, but what we do have is yours. Please chat with your quartet and plan out which photos you'd like and in what order before you come in for your photo(s). Remember, we only have around 10 minutes!
- 2) \_\_\_\_\_ **Order your Signature Pose**
  - a) You can pay securely online through the link on the North by Northwest Region 13 webpage by May 1st,
  - b) or you can fill out the paper form and mail the check to us by April 25.
  - c) **There is a minimum order of \$50 per quartet. We don't allow the purchase of just the Media File. Even if you don't want any prints, we still need to take your photo.**
- 3) \_\_\_\_\_ **Come get your beautiful Photos!**
  - a) Be sure to have any **props** handy!
  - b) We'll take your **Signature Pose** first, and then we'll catch any other photos you'd like.

- c) We don't have a lot of time, so be prepared to move quickly through each photo!  
Maybe have a few jokes to help each other laugh and have fun! ;)
- 4) \_\_\_\_\_ **Wait for your order:** Prints should be delivered within a few weeks of Competition Weekend. If you have any concerns, please let us know!
- 5) \_\_\_\_\_ **Go online to view all of the photos taken!**
  - a) We will send out notifications to the quartet as soon as all of the photos are available online for everyone to see. The contact person on your paperwork will receive an email with the correct link. Each Quartet will have a gallery of all of the photos taken during their session, including any individual photos, or close-ups. These will all be available online for purchase through our online gallery for four weeks.
  - b) Anyone needing access after that time will be charged a \$20 uploading fee from our offsite vault to have images reposted in the gallery.

**All images taken by InSpirit StudioZ Photography are protected by copyright laws.**  
If you'd like to use any image for social media, promotions, publicity, or any public purpose, **you need to purchase the Media File (\$35)** which includes the necessary web resolution file you can then use.

**It is illegal to screenshot, download, scan, print, or copy** any of our photos without written permission from InSpirit StudioZ Photography.  
We will happily manage your printing needs!

**We are so excited to work with you! We look forward to meeting you in May!**
