

December 2025 Convention News

Happy Holidays from your 2025 Convention Team!

Looking ahead, we are creating a checklist for choruses and quartets to help you keep track of what needs to be done, when it will happen, and who to contact if you have questions! This will help assure that all the information that is needed prior to convention has been done and when it is due. We will include this in the January eBlast or sooner if possible.
