

ALASKA SOUND CELEBRATION PRESENTS • THE 33RD ANNUAL MELODRAMA

WAMCATS of the Wild

FEBRUARY 23 – MARCH 9

49TH STATE BREWING COMPANY • HERITAGE THEATRE

In this year's Fur Rony Melodrama, we travel back in time to an early 1900s gold rush community, where the U.S. military is the only protection against lawless rascals, the local roadhouse is the only place to hang out for safety and entertainment, and the only connection to the outside world is the Western-Alaska Military Cable and Telegraph System (WAMCATS) ... if it can ever be completed!
