The Region 13 Arrangers WorkShop at Harmony College Northwest 2015

This is the 2nd year that the Region 13 Arrangers WorkShop is a joint venture with Harmony College Northwest. The dates are set for Thursday (afternoon and evening) and Friday (morning), June 18th & 19th, 2015.

The WorkShop is planned to appeal to all SAI and BHS members who want to learn more about how our music is arranged -- what makes the magic of BARBERSHOP happen!

So whether you're interested to arrange BARBERSHOP music yourself, or want to better understand how to sing, direct and/or choreograph BARBERSHOP arrangements -- this is where you'll want to be!

As promised, Nancy Bergman, Master Music Arranger and Susan Kegley, Certified Music Arranger are returning to guide you through finalizing the arrangement of the Project Song begun last year, "A Smile Will Go A Long, Long Way". They have an exciting agenda planned -- finalizing the arrangement for women's voices and then adapting the arrangement for men's voices.

On-site Registration Check-in will be from noon to 1:00 p.m on Thursday, June 18th, 2015.

Thursday afternoon sessions will begin at 1:00 p.m. and include:

- Basics of Barbershop Arranging & Barbershop Terminology
- Getting "up to speed" on the Project Song begun last year -- A recap of last year's work to get everyone ready -- both new and returning students -- for the rest of the WorkShop
- Planning the Format of the final arrangement including an Intro and Tag
- Selecting appropriate songs to arrange in Barbershop (STUDENTS -- bring the sheet music you'd like to arrange to review and evaluate for barbershop potential)

After dinner Thursday evening, 45-minute One-on-One sessions will be available with Nancy and Susan starting at 6:00 p.m. If you have work to review with Faculty, be sure to sign up as soon as online registration begins.

Friday morning begins at 8:30 a.m. to:

- Complete the arrangement for women's voices using the Format Plan developed on Thursday
- Then follow along to adapt the arrangement for men's voices

This is your chance to work alongside Nancy Bergman and Susan Kegley completing the arrangement of our Project Song -- step-by-step -- to make it uniquely BARBERSHOP for both women's and men's voices.

Join us for this fantastic opportunity -- **The Region 13 Arrangers WorkShop at Harmony College Northwest 2015** -- and then plan to stay for the rest of the fabulous HCNW weekend! (Following Lunch on Friday, check-in for HCNW begins.)

A flyer and all registration details/instructions will soon be available at the HCNW website, www.harmonycollege.org.
