

April 6, 2021 - Virtual Convention Update

Are you ready for our 2021 Virtual Convention?

Our upcoming Virtual 2021 Regional Convention, **Harmony on the Horizon**, begins on Thursday, April 8 and continues through Saturday, April 10. Even though we can't compete together this year, we can at least celebrate each other and the fact that we made it through a curveball of a year!

Our traditional Kickoff gets us started on Thursday. Quartets and choruses follow on the next two days, and you'll see performances--past and debut--from them. We also have special education and motivation videos, too.

Links to these YouTube Live events are posted below. They will also be listed on sairegion13.org, and our [Facebook page](#). Just click the link at the appropriate time and you'll be taken to YouTube where you can enjoy the show.

Have to miss the fun? Want to watch it again? The same links will be available after convention weekend for you to watch for the first...or fiftieth...time!
