

## R13 eBlast: 2025 Contest Information

October 4, 2024

Let the 2025 Region 13 Convention countdown begin!!

### Greetings, Region 13!

Your Convention Team met by Zoom on September 28th to start planning for our next convention. The 2025 Competition will be held in the Convention Center, Ballroom 100, which is the same location as last year. We will be making some changes based on what we learned in 2024, and we are also taking into account your feedback from the convention surveys.

We will again be using only the DoubleTree for our hotel needs. Hotel reservation info will be available as we near convention time.

Quartet and chorus contest registration, detailed information, and instructions will follow as soon as the start date is confirmed by International. Our Registration Chair, Michelle Clark, will let you know when registration opens for All-Events tickets.
